Weatherstone Capital Management to Join Focus Firm Carnick & Kubik; Inero Wealth Strategies to Join Focus Firm Buckingham Strategic Wealth

NEW YORK, Jan. 30, 2019 (GLOBE NEWSWIRE) -- Focus Financial Partners Inc. (NASDAQ: FOCS) ("Focus"), a leading partnership of independent, fiduciary wealth management firms, today announced that definitive agreements have been entered into under which Weatherstone Capital Management, Inc. ("Weatherstone") will join existing Focus partner firm Carnick & Kubik Group, LLC ("Carnick & Kubik"), and Inero Wealth Strategies, LLC ("Inero") will join existing Focus partner firm Buckingham Strategic Wealth ("Buckingham"). The Inero transaction is expected to close in the first quarter of 2019 and the Weatherstone transaction is expected to close in the second quarter of 2019, each subject to customary closing conditions.

- **Weatherstone Capital Management, Inc.** is an independent wealth management firm based in Denver, Colorado, that was founded in 2001 by Michael Ball. Similar to Carnick & Kubik, Weatherstone offers investment management and financial planning services to clients. This transaction is expected to give Weatherstone greater economies of scale and expand the scope of both its investment and financial planning services to clients, and will expand Carnick & Kubik's presence in the greater Denver area, while also giving the combined firm the opportunity to deepen Weatherstone's existing sub-advisory relationships.
- **Inero Wealth Strategies, LLC** is a fee-only independent wealth management firm with offices in Rochester and Buffalo, New York. Founded by Frank Inero, Inero provides investment management and financial planning services to clients, advocating an evidence-based investment philosophy consistent with Buckingham's. Following this transaction, Buckingham expects to provide additional client service and portfolio management solutions to Inero and its clients. This will be Buckingham's first office in New York State, as the firm continues to expand its national presence.

"Weatherstone offers unique tactical investment management portfolios, and Carnick & Kubik offers a compelling financial planning and wealth management model. The Weatherstone transaction is designed to have a positive impact on each firm's clients," said Rudy Adolf, Founder, CEO and Chairman at Focus. "Inero's investment approach and client service model is similar to Buckingham's. By joining forces, Inero clients should benefit immediately from the synergies of the combined firm. These two transactions represent the eighth and ninth transactions announced by Focus for its partner firms that have closed or are expected to close in 2019, and demonstrate Focus' ability to accelerate its partner firms' growth through M&A."
